

A man and a woman are shown from the chest up, looking off to the side against a bright blue sky with light clouds. The man, on the left, has dark hair and a beard, wearing a dark olive green polo shirt with a small red, white, and green stripe on the collar and sleeve. The woman, on the right, has blonde hair and is wearing a bright blue polo shirt with a similar stripe on the collar and sleeve. The overall mood is clean, fresh, and sporty.

JRC

A POSITIVE ACTION, ACHIEVABLE AND ESSENTIAL

Sustainability is an essential element of JRC strategic vision aimed at creating value for all stakeholders.

In a context in which companies are increasingly aware of the environmental and social impact of their activities, sustainability plays a central role in the evolution and innovation of production processes.

James Ross Collection has made its commitment concrete through the drafting of the sustainability report. This document, made available to its stakeholders, represents an important transparency tool, aimed at illustrating the company's commitment to the issues of sustainability and social responsibility.
