DISCOVER THE CHRISTMAS COLLECTION

DECORATIONS

2026

This collection was created with Christmas campaigns, corporate gifts and festive events in mind. It combines the magic of the holiday season with practical products that help build a warm, consistent and recognisable brand image — from Christmas markets and events to everyday gifts for clients and employees. The collection includes T-shirts, sweatshirts, Christmas sweaters, beanies, socks, pre-made gift sets, blankets and accessories — all ready for full customisation.

The images presented in this catalogue are for illustrative purposes only and have been created using artificial intelligence (AI) technology based on photographs of actual products.
