WILTON

REFINED MILANO KNIT OVERSHIRT

Wilton is an elegant overshirt crafted from fine-gauge Milano knit in 100% long-staple organic cotton. The Milano knit construction provides a clean, refined silhouette with excellent shape retention. The long-staple fibres deliver an exceptionally comfortable hand feel and a smooth structure, while cotton ensures natural breathability. The fine-gauge knit creates an elegant drape that sits effortlessly against the body without restriction – classic enough for the office, relaxed enough for after hours. A versatile overshirt that bridges the gap between knitwear and tailoring. Two deep side pockets and a chest pocket add practical functionality without compromising the clean silhouette.

Fabric 100% certified organic Cotton (long staple fibre, fine gauge) | **Colour** Navy, Dark Grey Melange
