

DOUBLE FACE

TOWEL

PRODUCT DETAILS:

The Double Face towel is a modern, double-sided towel designed specifically for sublimation printing. One side is made of soft microfiber velour (100% microfiber), perfectly suited for high-resolution sublimation prints, while the other side features absorbent cotton terry (100% cotton), ensuring comfort and functionality during use.

FABRICS: 100% microfiber (velour) / 100 % cotton (terry), 400 gsm
