

ALPINA SEAMLESS

HEADBAND

PRODUCT DETAILS

The sports headband is made from highly elastic, form-fitting knit fabric that ensures a perfect fit and comfort during physical activity. Its flat seam prevents skin irritation, keeps hair in place, and offers protection against the sun and wind. Additionally, sublimation printing allows for full customization, letting you create a unique design that reflects your personal style. The edges are finished without hemming.

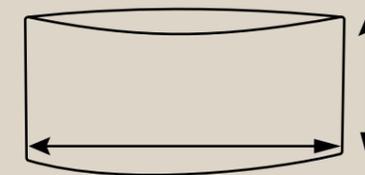

FABRICS 170gsm - 80% polyester, 20% elastan
