

APLINA

HEADBAND

PRODUCT DETAILS

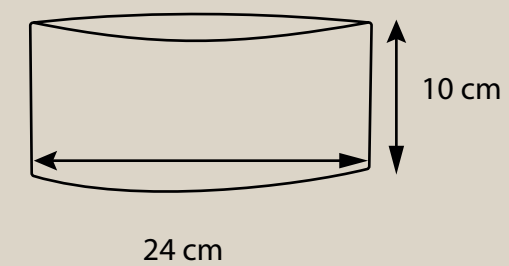

The sports headband is made of highly elastic, form-fitting fabric that ensures a perfect fit and comfort during activities. Its flat seam prevents skin irritation, keeps hair in place, and provides protection from the sun and wind. Additionally, sublimation printing technology allows for full customization, enabling the creation of a unique design that reflects your individual style.

FABRICS 80% polyester / 20% elastane, 170 gsm
