

STORMaxi® - Aerodynamische opvouwbare stormparaplu - Automatic open and close - Windproof - Ø 90 cm

Product Images

Description

ST-40 STORMaxi aerodynamic foldable storm umbrella. This updated version of our storm umbrella has been tested in wind tunnels and easily withstands wind speeds of up to 80 km/h. The high quality cover consists for 100% out of recycled PET bottles. It features a reinforced 3-part black shaft, reinforced black aluminum/fiberglass frame, comfortable matte black handle, and comes in a matching sleeve. With an automatic open and close mechanism, it is very user-friendly. The wide back of the STORMaxi provides maximum protection in the rain.
